CALENDAR 2017

Dates to remember...

TERM 1 DATES: Wednesday 01 February – Friday 31 March

SCHOOL INFORMATION NIGHT:
Wednesday 22 February
Prep – Year 2: 6pm-7pm
Years 3-6: 7pm-8pm

DISTRICT SWIMMING:
(Selected students)
Thursday 23 February

STUDENT LED CONFERENCES:
Wednesday 1 March
(no students required at school except during pre-arranged conference time)

WHOLE SCHOOL COLOUR RUN:
Friday 10 March

LABOR DAY PUBLIC HOLIDAY:
(No students required at school)
Monday 13 March

REGIONAL SWIMMING:
(Selected students)
Friday 17 March

CURRICULUM DAY:
(No students required at school)
Friday 31 March

YEAR 5/6 CAMP:
Wednesday 26 April – Friday 28 April
(Notices coming home soon!)

PRINCIPAL’S CORNER

I hope that you have enjoyed a relaxing time with family and friends over the school break. It is hard to believe just how quickly the time has gone by but I would now like to welcome you all back to the 2017 school year. Staff have been busily preparing for the return of your children over the holidays getting their rooms and materials ready.

Education is a partnership between the home and school. We value relationships with our families very highly and we are looking forward to working with everyone this year. Always make sure you see your teacher if you have any concerns or questions. Questions we may worry about can more often than not be easily answered by your class teacher. Just remember that the mornings are a very busy time at the classroom door so you may need to make an appointment. Priscilla Salter, Acting Assistant Principal, and myself are also available if you need some help.

A pack will be coming home from the office this week with a range of information. Please watch out for it. Again, if you need some help come and ask at the office. We also use a communication app called Tiqbiz. Notifications and reminders come via the app and it is available for your smart phone or tablet. For access to the app, call in at the office for a flyer with instructions. Julia, in the office, is a whizz, and is available for any assistance.

Thank you to all our families who have made payments for their fees or organised a payment plan. We are grateful for the support of our families.

Our office staff include: Lee-Ann O’Brien, business manager, Julia Smith, administration, Priscilla Salter, Acting Assistant Principal and me. We are all available to help out with any queries or concerns.

We are looking forward to a very productive and exciting year at the school and will continue to focus on the implementation of best practice in our teaching and learning, whilst continuing to develop the already strong sense of connectedness and community.

...cont/2
PRINCIPAL’S CORNER (continued from page 1)

School Enviro Centre Carers
A huge thanks must go to the families who helped out the school by caring for the enviro centre and its inhabitants over the break. We are so fortunate to have this program but it can only go ahead with the dedication of staff like Marian Collins and our parents and students. Thank you again.

Shade Sails
I’m sure everyone has seen the new shade sails up. What a wonderful addition they are to our environment! GNPA and our community worked incredibly hard on the fundraising in 2016 to make this all possible. Well done everyone and we know that our students and the entire community benefit from the sails.

Parents Helping Out
Over the holidays we had a small number of volunteers helping out with some gardening jobs in the school. A big shout out must go to the Van Heeswyk and Mercuri families. Both adults and children were here helping with some clean ups after the big storm. Fiona also organised to poison the ivy and clean up the bike shed area with a view to revitalising bike storage within the school. We would like to take this opportunity to acknowledge the dedication to the school of these families.

School Supervision
Just a reminder that students are supervised by our school staff between the hours of 8.45am and 3.45pm. Students who arrive at school before 8.45am or are still at school after 3.45pm should either be enrolled at OSHC with Camp Australia or be under the direct supervision of a parent. As a reminder to families of this safety concern we will begin sending a note home with students who attend outside of these hours. Camp Australia can be contacted on 1300 105 343 if you would like to use this service.

Grounds
Please discuss with your families the importance of supporting the school by using the grounds appropriately. We have had a couple of instances where neighbours have had things thrown over fences both on the weekends and during the week. We encourage our community to use our grounds, however we need to show respect for our neighbours. Thank you.

Staffing
Andrea Hayman, one of our office assistants, has taken a full time position at another school. Andrea gained this position right at the end of the year and we wish her all the best for the future. She has done a great job in the office and we are very appreciative of her effort.

School Council Nominations
At this time of the year we call for nominations of parent members of School Council. School Council is the body that oversees our school within the department guidelines and members have an opportunity to look at how schools function from another perspective and be involved in some aspects of school decision making. If you would like to be involved in School Council and nominate for a two-year position please come to the office and collect a nomination form. If you are unsure of what is involved as a parent member we can put you in touch with an existing member who can explain a little bit more and answer any questions you may have. We do have a School Council meeting on Wednesday 15th February at 7.30pm in the staffroom and you are welcome to contact me and attend to see what it is all about. Nomination Forms are available now and are due in on Friday 17th February 4pm at the office. Unfortunately no late nominations can be accepted.

PERSONAL PROPERTY AT SCHOOL
The Department of Education and Training has requested that the following information be conveyed to parents.

Personal Property
- Personal property is often brought to school by students, staff and visitors. This can include mobile phones, toys, sporting equipment and cars parked on school premises.
- The Department of Education and Training does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property. Students and staff should be discouraged from bringing any unnecessary or particularly valuable items to school.

SCHOOL INJURIES AND INSURANCE
The Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs. Parents or guardians can purchase insurance policies from commercial insurers.
 Dates
Watch out in the newsletter for upcoming dates. Information evening will be held on Wednesday 22nd February 6-7pm for Prep-2 families and 7-8pm for years 3-6 families. We will start with a presentation in the music room and then there will be an opportunity to visit the classrooms and ask individual teachers questions. Student/parent/teacher conferences will be held on Wednesday 1st March from 12pm-8pm. Students are only required to attend on this day for the scheduled interview with your class teacher. At this time teachers will set learning goals for the first half of the year and you will have an opportunity to talk about how your child has transitioned to their new class.

Dancers Edge
Dancers Edge has begun using our music room this week on Mondays (4-7.30) and Thursdays (4.30-8). A number of our families use this school and of course they are always looking for enrolments if any other students are interested. Their contact details can be found on line.

Reminders:
Send a Note for Absences
It is a legal responsibility for schools to keep track of student absences. Please remember to send a note (either via Tiqbiz or hand written) prior to the absence (if planned) or upon the students return. This will minimise the need for us to follow up with families.

School Start Time
A reminder that, in the same way as notes for absences, school officially starts at 9.00am, (doors open at the playing of the music over the loud speaker) and students are expected to be in class at this time ready for the attendance role to be taken. After the role has been taken, students who arrive late are expected to sign in at the office so they are legally accounted for. In the same way, if a student needs to leave early they are required to be signed out at the office and a slip presented to the classroom teacher before they will be released.

Hats
In line with our SunSmart policy students are required to wear a school hat through till April. School hats are approved as providing adequate protection and are available through the office or at the Uniform Shop. Students without a hat will be required to stay in the designated shaded area.

Hot Weather
There is not really any such thing as unusual weather I suppose anymore (as everything seems to be unusual) but with the intermittent hot spells we are experiencing at the moment, students are being encouraged to stay adequately hydrated during the school day. This is easier if students have drink bottles that can be refilled throughout the day and kept with them in class. If your child does not routinely bring one can you please make one available.

Attendance Awards
We will again be recognising students with the Principal’s Attendance Awards in 2017. The success of this program has seen student attendance improve significantly over the last few years. Attendance at school has a major impact both on continuity and re-enforcement of learning but also on the social connectedness students feel to their peers and teachers. Students are publicly recognised on a termly basis for their attendance and punctuality and at the end of the year at a special breakfast if they have managed to have no more than four days absent and four late days for the year.

In many cases of course illness is unavoidable and students do need to stay away from school, but our targets for attendance are set high as aspirational targets recognising commitment and perseverance across the term and year.

Parking Reminder
As our school numbers grow, parking at school drop off and pickup time is becoming increasingly difficult. Knox Council and Boronia Police regularly patrol school zones to monitor parking restrictions and traffic safety and so you are reminded to park legally at all times and be conscious of the fact you are in a highly congested situation with many small children who have limited traffic awareness. When parking in side streets, please be conscious of the residents who live there by not blocking their driveways or bins out for collection, or parking on their property. Please do not use the staff carpark on Forest Road, the delivery bay off the drive way (near prep rooms) or the nature strip on Forest Road for any reason, including dropping off/picking up. Staff and deliveries come and go from these areas at any time during the day and it is unsafe for children and their families.

There is limited Disabled parking available on school grounds. Please contact the office to arrange the use of these spaces.
Assembly Times
For families new to our school, we have whole community Assemblies each Friday afternoon starting at about 2.55pm. We aim to have these Assemblies as a celebration of the week and a coming together before the weekend. Assemblies are an open event and we regularly have about 100 parents attend. They are ideally held in the outdoor amphitheatre at the top gully outside the Red Specialist Building. If it is too wet or too hot we move undercover to the Elli-Mata Centre. Our new Preps will not attend Assembly for the next two weeks and they will receive an official welcome when they join us once they have got used to some of the school routines and are here all day long.

Newsletter
For families new to our school, newsletters are released on a Tuesday afternoon. Limited paper copies are available from the Office for collection but the best way to receive the newsletter is via the Tiqbiz App on your computer or smartphone. A leaflet explaining how to get the App and sign up to our school mail boxes will be sent home to all families this week. Come into the Office if you require any help.

School Banking
A reminder to all that school banking starts up again tomorrow. Our school banking is in partnership with the Boronia branch of the Bendigo bank. If you would like to be part of School banking, please open an account at the Boronia branch and remember to bring in your banking each Wednesday.

No dogs on school premises
For the well being and safety of all in our community, dogs and pets are not allowed on school premises. This includes tying them up and leaving them unattended at the gate, or carrying them into the school.

Safer Internet Day
Today is Safer Internet Day, a day for everyone to work together to ensure the internet is a safe place for everyone, especially children. It’s an invaluable opportunity to promote the importance of good online conduct to children as well as reminding them what a fantastic resource the internet is when used well. Some of our students have taken part in class activities today as part of Safer Internet Day and our staff will always strive to ensure all of our students are informed on how to be good digital citizens. If you would like more information, there is a parents section on the government eSafety site at https://www.esafety.gov.au/education-resources/iparent

Have a great week,
Sue Dean
Principal

PAYMENT REMINDER and CSEF:

Dear parents,
Just a reminder to those on a payment plan arrangement with the office that a payment instalment is due this week.

Also, for those families with a Health Care Card, you are entitled to receive the CSEF monies which are $125 per primary school child. This can be used for Camps, sport events or excursions. Please find a CSEF application form in this newsletter, or drop in to the office to collect a hard copy.

IMPORTANT: PLEASE NOTE:
All families with a Health Care Card MUST APPLY IN 2017 by June 30 to receive the funding for this year. It DOES NOT carry over from previous years.
**Intervention 2017**

At FGNPS we aim to support and meet the needs of all students and improve their learning outcomes with a particular focus on literacy and numeracy. Teachers work with the new Victorian Curriculum to plan learning experiences for their classes and the students within their classes. At times students may need a bit more support with their learning. Generally this is most effective within the classroom. However, there are times when students may need some targeted intervention. We pride ourselves on having a successful, innovative and responsive program in this area. We have two extremely experienced team members to oversee and deliver these programs. Glenda Beard works Wednesdays, Thursdays and Fridays and Wendy Barr on Tuesdays, Wednesdays and Thursday mornings.

In 2017 Glenda and Wendy will target areas across the school using the Levelled Literacy Intervention (LLI) program in small groups. The goal of LLI is to support students to achieve growth in reading and writing.

**Ferntree Gully North Primary School uses LLI because:**

- It is supplementary to the classroom literacy program.
- LLI lessons provide daily assistance and are of significant length to ensure reinforcement of new learning and to support accelerated progress.
- There are three students to a group. The group size ensures close observation and the intensive teaching interactions necessary to promote individual learning for all students and to ensure fast literacy progress.
- LLI provides a well-defined framework within which the teacher makes decisions specific to their assessment and observations in order to meet student learning needs.
- Lessons are fast-paced and engaging.
- There is a focus on comprehension with students reading several books every lesson and the teacher providing comprehension support at the literal, inferential and critical level.
- The focus of the writing sessions is to build early writing strategies. Students learn to plan, compose and revise their writing. They are instructed in how to use sound analysis, important spelling strategies and early writing conventions.
- Fluency is also an important goal. Lessons include attention to phced and fluent reading as well as fluency in writing so that slow processing is not perpetuated and the need for reading and writing stamina met.
- Each levelled text is of high quality. Students process a new book every day.
- Lessons include a systematic focus on phonics covering areas such as phonological awareness, letter knowledge, letter-sound relationships, letter formation, word structure, spelling patterns and high frequency words.
- LLI includes initial and ongoing assessment and progress monitoring.
- LLI provides a strong classroom connection. Each lesson provides a link to the classroom. Students take books to read, word activities and writing to reread back to the classroom.
- LLI also provides a strong home connection. With students having opportunities to share books, phonics material, spelling and writing tasks with their parents.

We look forward to another successful year working with students and their families to build student growth in literacy and numeracy. If you have concerns about your child’s progress please speak to your child’s teacher.

**Autobahn**

The Autobahn program has been developed by Ferntree Gully North Primary School to cater for a range of interests and those who may exhibit high abilities in particular areas. Autobahn is a program that looks to extend the current skills of our students, identifying strengths and working to build on them through term by term topics of interest.

The name of the program has been carefully selected to reflect our aims and intentions. It comes from the German word for the high speed road network famous in Europe.

The program provides an opportunity for people to travel as fast as they like within a structured environment supported by infrastructure and expectations that ensure safety for all.

As with the European autobahn, there will be multiple entry and exit points where students will be able to navigate their own course. The program will offer programs for students in years 1-6. The structure of The Autobahn will be a select entry program catering for identified students to fast track them towards individual management of their learning and to prepare them as well rounded citizens. This year we have made changes to the selection process. All students 1-6 are eligible, however selection will be a two part process;

Part 1) Student Self nomination. Students will be given a questionnaire to complete at the beginning of each term. They will have the opportunity to answer questions centred around their interests. The self nomination form will assist us to identify students who may benefit from entering the program for the term.

Part 2) Teacher nomination. Teachers will identify students whom they believe would benefit from participating within the program for the term.

We are extremely lucky to have Lara Atkinson run the program this year, and her expertise in areas of Science / Technology will be utilised. Lara will take three groups each term for 50min each for a Grade 1 /2 student group, 3 /4 student group and 5/6 student group. Stay tuned for updates.
PRODUCTION NEWS:
We are looking forward to our school production for 2017 called ‘Underneath the Radar’. We have acquired the Alan Ross Centre at Billanook college in Mooroolbark once again as our venue, so please take the time to put these dates on to your Calendar:

The Production will take place in Term 4.
- Friday 13th October – whole school rehearsal (all day, during school hours)
- Monday 16th October – Performance night from 6.30pm
- Tuesday 17th October – Performance night from 6.30pm
- Thursday 19th October – Performance night from 6.30pm

We look forward to another year of showcasing the talent of our students at Ferntree Gully North PS. There will be plenty of jobs for our talented parents also: if you are willing to help with costumes and sewing please let us know.

Regards,
Louise Strauch and Julianne Wilson

CFA Ferntree Gully
Understanding your bushfire risk.
Community bushfire information meetings in Ferntree Gully

Sunday 19th Feb at 9.30 am
“Quarry estate” near Stringybark Dr
- Please bring a chair. Meeting cancelled on total fire ban day.
  - Information: Graham Crichton on 0429 060944
- Free freshly brewed coffee available.

LOST:
One of our new Preps has lost her brand new bomber jacket. Size 6, with ‘Bella Shallies’ written on the tag. If found, please return to the Office, or Prep G.
TERM 1 WORKING BEE

Saturday 4 March 2017, 9am – 12noon

Come for a morning chat and general light work to bring our school grounds up to scratch in preparation for the up and coming Movie Night! Remember to also bring the kids along to either help out or have a Saturday play date with their mates.

We are hoping to move some mulch, do general pruning work, gutter cleaning, litter collection, and weather permitting painting of some outdoor seats etc.

So if you can come along, even for a short time, bring along your gardening gloves and sunhats. We already have a couple of shovels, rakes and wheelbarrows so no need to bring them unless you want to.

Morning tea is provided.

Enquiries and/or RSVPs can be left at the office addressed to Fiona c/- Buildings & Grounds Committee.

I authorise the Department of Education and Training (DET) to use Centrelink Confirmation eServices to perform an enquiry of my Centrelink customer details and concession card status in order to enable the business to determine if I qualify for a concession, rebate or service. I also authorise the Australian Government Department of Human Services (DHS) to provide the results of that enquiry to DET.

I understand that:

- DHS will use information I have provided to DET to confirm my eligibility for the Camps, Sports and Excursions Fund and will disclose to DET personal information including my name, address, payment and concession card type and status.
- this consent, once signed, remains valid while my child is enrolled at a registered Victorian school unless I withdraw it by contacting the school.
- I can obtain proof of my circumstances/details from DHS and provide it to DET so that my eligibility for the Camps, Sports and Excursions Fund can be determined.
- if I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the Camps, Sports and Excursions Fund provided by DET.
- information regarding my eligibility for the Camps, Sports and Excursions Fund may be disclosed to the Victorian Department of Health and Human Services and/or State Schools Relief for the purpose of evaluating concession card services or confirming eligibility for assistance.

You are able to request access to the personal information that we hold about you, and to request that any errors be corrected, by contacting your child’s school.

Signature of applicant __________________________ Date / /
CSEF ELIGIBILITY

Below is the criteria used to determine a student’s eligibility for the Camps, Sports and Excursions Fund (CSEF).

Criteria 1 – Eligibility
To be eligible* for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term one, or;
- on the first day of Term two;
  a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be a holder of Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
  b) Be a temporary foster parent, and;
  c) Submit an application to the school by the due date.

* A special consideration eligibility category also exists. For more information, see: [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Criteria 2 - Be of school age and attend school in Victoria
School is compulsory for all Victorian children aged between six and 17 years of age inclusive.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. Typically, these students are aged between five and 18 years inclusive.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

Eligibility Date
For concession card holders CSEF eligibility will be subject to the parent/legal guardian’s concession card being successfully validated with Centrelink on the first day of either term one (30 January 2017) or term two (18 April 2017).

PAYMENT AMOUNTS

CSEF payment amount
The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the benefit of the eligible student.

- Primary school student rate: $125 per year.
- Secondary school student rate: $225 per year.

The CSEF is paid directly to your child’s school and will be allocated by the school towards camps, sports and/or excursion costs for your child.

For ungraded students, the rate payable is determined by the student’s date of birth. For more information, see: [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

Year 7 government school students who are CSEF recipients are also eligible for a uniform voucher. Secondary schools are required to make applications on behalf of parents so please register your interest at the school.

HOW TO COMPLETE THE APPLICATION FORM

NOTE: ALL SECTIONS MUST BE COMPLETED BY PARENT/Legal GUARDIAN

1. Complete the PARENT/LEGAL GUARDIAN DETAILS section.
   Make sure that the Surname, First Name, and Customer Reference Number (CRN) details match those on your concession card. You will also need to provide your concession card to the school.
   If you are claiming as a Foster Parent or a Veteran Affairs Pensioner, you will need to provide a copy of documentation confirming your status as a temporary Foster Parent or provide your Veterans Affairs Pensioner Gold card to the school.

2. Complete the STUDENT/S DETAILS section for students at this school.
3. Sign and date the form and return it to the school office as soon as possible. The CSEF program for 2017 closes on 30 June, 2017.

CSEF payments cannot be claimed retrospectively for prior years.

Queries relating to CSEF eligibility and payments should be directed to the school.

© 2016 Department of Education and Training
A Healthy, Happy Child is a Good Learner

TALK about what you see and do with your child
* Name people and things.
* Describe what they are doing or feeling.
* Sing songs and nursery rhymes – in any language!

LISTEN to what they think about things
* Ask them: What do you think about…?
  What happens if…?
  How many times can…?

READ with your child
* Try reading *The Very Hungry Caterpillar* by Eric Carle with your child. Ask what foods they see in the book. Go through it again, looking at each picture and have them decide whether it is an everyday, healthy food or a sometimes, unhealthy food.

EXPLORE the world around you
* Eye Spy – “Eye spy, with my little eye, something that begins with….” Introduce letters and their sounds, or simply use colours you can see. Help the children notice things that begin with that letter i.e. “what can we see that begins with ‘m’ – a mirror, a mail box, a monkey – yes it’s the monkey!”

DO encourage children to do things for themselves
* Simple everyday tasks such as carrying their own bag, opening their lunchbox and getting dressed in the morning.
* Try building a tower using paper cups. If it falls, try again. Measure how tall the tower is and count how many cups are there.
A Healthy, Happy Child is a Good Learner

SLEEP 10 - 12 hours each night

*A firm and consistent bedtime routine will help most children settle down to sleep.
*Toddlers need 10 - 12 hours of sleep. School children need 10 - 11 hours of sleep.
*A good amount of sleep helps children behave well and learn properly.

ROUTINE is important

*Routines are how families organise themselves to get things done.
*Try to be predictable so your children know they can count on you.
*Using pictures and star charts helps children get used to routines, especially if you are finding this difficult.

BE HEALTHY - food and exercise

*For children to grow and learn, they need a variety of healthy foods and tap water as their drink of choice.
*A healthy breakfast can help children learn better at school. Some great choices include porridge/oats, muesli, low-sugar wholegrain cereal, boiled eggs, omelets, wholegrain toast, fruit and natural yoghurt.
*To keep healthy: walk, dance, run, swim and play outside as much as you can.

COME TO SCHOOL EVERY DAY!

*Children from the age of 6 to 17 are required to be at school every day.
*Children who miss primary school days are more likely to need help in reading, maths and general knowledge.
*Some of the best learning happens at the start of the day.
*Being 1/2 hr late every day means you miss nearly 4 weeks of school a year!
Missing a day a fortnight equals nearly 1 1/2 years missed by Year 12!
