School Council Nominations
At this time of the year we call for nominations of parent members of School Council. School Council is the body that oversees our school within the department guidelines and members have an opportunity to look at how schools function from another perspective and be involved in some aspects of school decision making. If you would like to be involved in School Council and nominate for a two-year position please come and see the office and collect a nomination form. If you are unsure of what is involved as a parent member we can put you in touch with an existing member who can explain a little bit more and answer any questions you may have. We do have a School Council meeting on Wednesday 15th February at 7.30 in the staffroom and you are welcome to contact me and attend to see what it is all about. Forms are available now and are due in on Friday 17th February 4pm at the office. Unfortunately no late nominations can be accepted.

Parent Information Evening
This year our format will run slightly differently to ensure we get as much information out to parents as possible. The night will begin at 6pm in the music room where P-2 parents will have a presentation and then go to individual classrooms. At 7pm parents of years 3-6 students will attend a presentation and then go to individual classrooms.

Student Led Conferences
Student/Parent/Teacher Conferences will be held on Wednesday 1st March. Meetings will be held between 12pm and 8pm and students will only attend that day for their meeting. The purpose of this time is to share information that supports the home/school partnership. Students will have been at school for 4 weeks and staff are still getting to know them. This time is vital to establish positive, meaningful home/school relationships. These meetings create a well-rounded holistic understanding of our students and their needs. It may be relevant to establish some goals and expectations at this time. You will receive a meeting preference sheet later this week and notifications of times will come home on Monday 27th February.

Breakfast Club
Breakfast Club starts this Thursday at 8.15am in the BER kitchen. Thank you to Sam Lowe and her team for their continuing support of the program. Any queries feel free to come and see me.

Excellence:
High expectations of the whole school community

Fire Awareness

Priscilla Salter and I were taken on a tour of the local area by a CFA representative and member of the school community, Graham. The aim of the tour was to help us appreciate the needs of the local community in the event of a fire in our area. We looked at the area to the east of Forest Road where the landscape moves very quickly from suburban streets to dense bushland. We saw the narrowness of the streets and the difficulties that may be faced. Thank you for the work that Graham and the CFA Captain Seamü Smith do in and for our local community. In the case of an emergency we have clearly identified Emergency Management Plans to ensure all of our students and staff, are safe and cared for.

Working Bee

On Saturday 4th March we will be holding our first working bee for the year. There are a number of tidying up jobs to do after the holidays, particularly with having had rain storms and a lot of wind. We would love to see parents, students and families working together. The working bee runs from 9am-12noon. Of course you can just come for an hour during the morning. Morning tea is provided and it is a great chance for students to have some fun, contribute to their community and for parents to meet other parents. We will be sending home a return slip. Please complete and return to your classroom teacher.

National Anthem and School Song

It would be great to see our families joining in the singing of the National Anthem and the school song each week at assembly. We have included the words below. Check to see if your child knows the correct words to the National Anthem: sometimes kids make up funny versions! For example: ‘.our land abounds in Nature strips’!

Have a great week,
Sue Dean and Priscilla Salter
Principal and Assistant Principal

Music Program for 2017

Music is a vital expression for all students from all cultures and societies. It allows them to create and explore their personal views of themselves and the world around them. Students are encouraged to take risks and step outside their comfort zone during Music lessons.

P-2 students sing, dance, move to music and play instruments whilst learning about the simple elements of music. The Music Room Developmental Program is used to assist students with their learning.

3/4 students follow on from this by learning the recorder and reading simple musical notation. The grade 3 students are paired up with a mentor from grade 4 to assist them with the skills needed to play this instrument.

5/6 students use the iPads to create their own digital music and videos, whilst learning about different genres of music from around the world, thus creating and exploring their view of themselves and their world.

The whole school production will be held this year in Term 4 at Billanook College on the 16th, 17th and 19th October. Please keep an eye on Tiqbiz for updates throughout the year.

P.E. PROGRAM FOR 2017

We are looking forward to an exciting year in PE. The P-2 PMP (Perceptual Motor Program) will be starting on 16th February and will run every Thursday morning throughout the year. The program is aimed at enhancing coordination, balance, motor skills in addition to working cooperatively with others. Students in P-2 will also be involved in tennis clinics during the month of February.

Students in Grades 3-6 are involved in 3/4 and 5/6 sport every Friday to develop game skills and team building.

There are many sporting opportunities throughout the year for students in Grades 3-6 including District Swimming, District Cross Country, House and District Athletics and the Winter and Summer Round Robin Sports Day’s for 5/6.

The P-4 Intensive Swimming Program runs in December.

**TERM 1 WORKING BEE**

Saturday 4 March 2017, 9am – 12noon

Come for a morning chat and general light work to bring our school grounds up to scratch in preparation for the up and coming Movie Night! Remember to also bring the kids along to either help out or have a Saturday play date with their mates.

We are hoping to move some mulch, do general pruning work, gutter cleaning, litter collection, and weather permitting painting of some outdoor seats etc.

So if you can come along, even for a short time, bring along your gardening gloves and sunhats. We already have a couple of shovels, rakes and wheelbarrows so no need to bring them unless you want to.

Morning tea is provided.

Enquiries and/or RSVPs can be left at the office addressed to Fiona c/- Buildings & Grounds Committee.
Welcome back and GNPA Meeting

WELCOME BACK!!! We hope all families had a relaxing break over the holidays. School is back... and so is GNPA ready for a new year. To our new families: ‘Welcome!’ The purpose of this newsletter is to keep families and the school community updated with some of the events that are running and coming up during the year for the school. We hope you will enjoy and come along to as many meetings as possible to give your opinion and add to our discussions.

We are ready to take on 2017. We look forward to offering the school community a fantastic assortment of fundraising events & activities. Some old favorites like the School disco later in the year will be on the calendar with some new exciting events added. A Cinema ‘Under the Stars’ family night held at school will be coming very soon. This fun night will be on March 24th and with your support we could make a great profit to go towards revamping the bike shed for the school community.

All funds from last year’s events have now gone towards the shade sail for the junior playground and the replacement sail. What a great year and we again thank the school community for their support.

On our preps first day we held a ‘Cheers & Tears’ morning tea for Prep parents. Congratulations and well done to all Mums, Dads & students! We had a fantastic number of parents attend and it was great to see you all chatting and getting to know each other. Thank you to those who have also offered to help in future GNPA events.

Last Friday GNPA held their first meeting for the year, it was great to see so many attend and have many wonderful ideas discussed.

There are many ways to be involved with GNPA. We value any contribution you can give.
GNPA Helpers News

GNPA Helpers are parents & grandparents who help out at events e.g. Disco, Mothers/Father’s Day stalls, Tough Gully, social events & BBQs. These parents usually cannot attend meetings but are willing to help out on the day/night if they are free.

- General Committee Members are able to attend most meetings, usually available to help at events and sometimes enjoy taking part in organizing some events. They usually work together in small teams to get the job done!

- Committee Members are the parents who hold a nominated position or role. President, Vice President, Treasurer, Secretary, Newsletter & School council Rep. All of these positions are open for Nomination on a yearly basis at our AGM.

If you would like to be involved in GNPA please leave your contact details at the Office or come along to one of our meetings. Held once a month to co-ordinate events & fundraisers our informal meetings are a great way to get involved with your school community.

*** ALL PRE-SCHOOL SIBLINGS ARE WELCOME TO ATTEND OUR MEETINGS****
Next Meeting: Monday 6th March AGM 9:05am
