Breakfast Club
Last week I went to see what Breakfast Club was all about. It’s terrific! Students were working, talking about school, interacting with staff and parents and having a good brekky. Thanks to everyone who contributes to such a great program.

ANZAC Day
Ms Davies will be taking approximately 20 students to the Rotary Anzac Service at the National Park on Friday. This is an important opportunity for students to hear of the servicemen and women who have contributed to the wellbeing of our nation.

Thank you to the captains for their speech at assembly about the service of the men and women of Australia. The choir singing ‘The Anzac Song’ was a highlight. Congratulations to Louise Strauch for her work with the choir.

Attendance
Sometimes we think that it doesn’t matter if our children miss a day of school. Sometimes those days turn into more than one, or many. Have a look at the graphic below to see the impact absences can have. Students need to be at school on time so they can engage in school effectively. We thank all parents who support us in our work and have their children at school.

Autism Awareness Day

Bikes/Scooters at Assembly
We had a lot of bikes and scooters at assembly last Friday and they were very distracting for our students focussing on our assembly items. We would ask that the small ones ride before and after the main assembly. Thank you.

Have a great week,
Sue Dean and Cory Pearce

Come and lend a hand in the school grounds in preparation for Education Week!

We are hoping to do a general tidy up, mulching, pruning, ground gutters, litter, raking softfall in playgrounds etc.

So if you can come along even for a short time, bring along your gardening gloves, rakes, shovels, wheelbarrows etc.

Enquiries and/or RSVPs can be left at the office addressed to Fiona c/- Buildings & Grounds Committee.

We’d love to make our beautiful new school as beautiful as it can be before Education Week Open Morning and the more hands, the easier that will be.

Children and Digital Games Study:
I am a PhD candidate at the University of Melbourne. My project is looking at children's use of screen-time, particularly digital games.

Screen-time was rated the top child health concern in Australia according to the recently published Child Health Poll conducted by researchers at the Royal Children’s Hospital.

Despite the immense popularity of games like Minecraft we know very little about what kids, particularly Aussie kids, actually do with their 'screen time' and what role digital games have in the lives of children of varying ages. I am conducting a survey to shed some light on these crucial pieces of information. Results so far indicate that for boys from the age of 7, digital games such as Minecraft are now the dominant form of screen media. This represents a significant tipping point away from TV in children's media consumption.

I have University of Melbourne and DET Ethics approval for all of these strategies.

The survey is for parents of children aged between 3 and 12 living in Metropolitan Melbourne. It takes between 2 and 5 minutes to complete.

For a direct link to the survey click here: http://go.unimelb.edu.au/bn4a

Welcome to OSHC, Term 2, Week 3

Dear Parents and School staff,

Tips for helping children (and parents) feel comfortable in after school care:

1. Prep children are picked up from respective classes and walk to OSHC with a team member from camp Australia.
2. For safe arrival of children from Year 1 onwards to OSHC. Let the child, teacher or school reception and coordinator know if you are running late.
3. Please let the Coordinator know by calling and leaving a message if the child is registered for After School Care and that they will not be attending.
4. If your child has any allergies or medical condition it is suggested to enrol your child online 48 hrs prior to attending after school care. Alternatively, you are welcome to come and speak to the Coordinator a day or two prior for any medical conditions.
5. Come into the program with your child to meet our Camp Australia team and find out what kind of activities they can look forward to.
6. Feedback and suggestions are welcome, so let us know how your child felt after their first visit.
7. Encourage your child to talk to the Educators if there is something in particular your child would like to do when they are in our care.

We’re here to make After School Care visits the best experience possible, for you and your child. If you have any questions about the program please feel free to drop by, meet the team and see what happens in After School Care first hand.

Program Details

This has been a great term 2

We have had a great start to term 2 in OSHC. For the past two weeks, children have worked on making coloured sand paintings and jars. We also spent some time making animal art and finger puppets. The children have also been busy decorating our new cubby house. In the spirit of Anzac day on Friday we made Anzac biscuits (gluten and gluten free). Children made remembrance poppies. Next week we will be doing a range of activities including making gifts for our mums and other special people in our lives for Mother’s Day.

To find out more about our program, view fees and to register visit www.campaustralia.com.au.

You can register your child online on camp Australia website it is easy and free.

My name is Katie Todd and, as an independent Intimo Lingerie Stylist, I am a Collection Agent for this partnership. I will be placing a collection point at Ferntree Gully North Primary School. Why not bag up your Bra's and drop them in the bin located in the office for me to collect.

Please help me in giving a little bit of dignity back to women in need.
