PRINCIPAL’S CORNER

Book Week Celebrations
As I tap away on my keyboard to write this newsletter I’m trying not to get the Mr Bump blue face paint everywhere! It was fantastic to see the amount of support and effort that families had gone to in preparing the book character costumes for today’s parade. These events create community atmosphere and we are keen to try and increase the range of these fun days that we can offer. Seeing so many people turn out today to watch the parade further cements this idea as being valued by our families. In a few weeks’ time we will have our annual Footy Day (Wednesday September 16th), which will be another opportunity for students to dress up and show their support for their team. Looking forward to that one.

Yesterday’s visit by author Gus Gordon was warmly received by students as Gus took them through the process of developing a story and illustrating it. Thank you to Gus.

There is a flood of entries arriving at the Office each day for the Young Writers Competition and just as many students who are asking for a little more time. Their session with Gus yesterday has made them want to make a few adjustments before submission. As such we will make the deadline for entry this Friday.

Any students who have already submitted their entry but would like to revisit it after the session with Gus can come and reclaim it for one last edit.

Literacy and Numeracy Week
Literacy and Numeracy Week is scheduled for next week and you may see it featured in the media. We chose this year to make a bigger deal of Book Week seeing as though next week I think there will be enough to focus on with the Production Performances 😊

Money Brought to School
Just a reminder for families to please not send too much money to school on Fridays for kids to purchase things at the canteen. $2 a student is more than enough money as there are very many items that can be bought within that range. The volunteer parents who open the canteen report students bringing some times up to $50 which is excessive and leads to potential issues such as purchasing food for others who have food allergies and money getting lost.
Feedback on Tiqbiz
A few months in to launching our Tiqbiz communication strategies and a week or so in to launching our new website (http://ferntree.vic.edu.au/) we are keen to get some feedback on how the community feels it is impacting on the home / school relationship.

Virtue of the Week – Compassion
This week we come to the final week of focus on a particular virtue. Going forward, students have discussed and highlighted the importance of our six core virtues, all of which are important all of the time in developing a sense of self and being self-determining and community minded.

This week we focus on the virtue of Compassion – The habit of caring deeply about the plight of others and the desire to help. It is the habit of saying and doing things to raise the spirit of another (kindness).
At Assembly on Friday we will recognise those students who have displayed the virtue of Compassion. Teachers are reporting deep conversations with their class where students are nominating other students with particular examples that show great understanding of what each virtue means in practice.

Recognition for the Virtue of Tolerance
At Assembly last week the following students were recognised by their teachers and classmates for demonstrating the virtue of Tolerance.

Year 4 Bike Ed Camp
Tomorrow our Year 4s head to the Blue Light Bike Ed Camp for three days following the skills component they have undertaken over the last few weeks at school. This camp offers a unique opportunity for students to fine tune their skills and knowledge of safe bike use as well as extending their confidence and independence by being away from home.
I will be visiting the campers for the day on Thursday and look forward to jumping on a bike myself.
Thank you to all the staff who are attending camp for giving up their own family time and making this opportunity possible for our students.

School Contributions (Fees) for 2016
The Finance Sub Committee of School Council has begun conversations about the setting of School Contribution amounts for 2016. Various areas of the Department are under review at the moment and the outcome of these reviews may impact on decisions that we make and so we are holding off until this information is clearer. We anticipate that in the first couple of weeks that model for the funding of Schools by the Government will be clearer and we will be able to provide you with the correct information.
We are attempting to make only minor changes from the 2015 arrangements but will need to wait and check whether this is possible under the revised Department governance system.

Production Next Week
The performances dates have arrived on us quickly and students should be congratulated for their persistence, dedication, hard work and attention to detail. If you have not seen one of our productions before I think that you will be surprised at what even our smallest students have been able to achieve. Sometimes there is a temptation to underestimate what children can do and to limit them and expectations in order to protect them from ‘failure or disappointment’. *What this can sometimes cause unintentionally though is a failure to expose them to what their potential is and what they are capable of.* This is one of the immeasurable outcomes of a production that every child is a participant in.

Bring on the show and the buzzing feeling of accomplishment that kids get from the feedback of their parents and friends who come to support them.

Fathers’ Day Stall next Tuesday (shh!)
Very quietly between you and me – next Tuesday September 1st GNPA are holding the traditional Fathers’ Day Stall. Your kids may want to bring along a few dollars to buy something.

Article Link
On the weekend I came across this article about the Eight Traits that Make a School Great. Sir Ken Robinson is a world renowned educational academic and author and speaks from a very respected and knowledgeable perspective.

In this article, he highlights the eight key competencies that great schools ‘bestow’ to their students. In summary these are:

- Curiosity: The ability to ask questions and explore how the world works.
- Creativity: The ability to generate new ideas and to apply them in practice.
- Criticism: The ability to analyse information and ideas to form reasoned arguments and judgements.
- Communication: The ability to express thoughts and feelings clearly and confidently in a range of media and forms.
- Collaboration: The ability to work constructively with others.
- Compassion: The ability to empathise with others and act accordingly.
- Composure: The ability to connect with the inner life of feeling and develop a sense of personal harmony and balance.
- Citizenship: The ability to engage constructively with society and to participate in the processes that sustain it.

I think it’s interesting to note that none of these refer to the ‘competency to be able to do long multiplication or write a story with no spelling mistakes’ but instead are about developing the personal character traits and skills which will see them do well in to the future.

If you would like to read the full article, which contains more detail about each of these areas you can view it by clicking on the link below.

Have a nice week and looking forward to show time next week 😊

Dear Parents,

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 15th July to Tuesday 8th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you’d like to know more visit woolworths.com.au/earnandlearn

REMINDER! HATS NEED TO BE WORN AGAIN FROM TUESDAY 1ST SEPTEMBER!

Parents please remember it’s almost HAT TIME AGAIN in accordance with SunSmart policies. If you need to purchase a school hat for your child, please order one from the office or purchase a hat direct from the Uniform shop on Friday 28th August to ensure you get your new hat in plenty of time.

CSEF FUND (Camps, Sport, Excursion fund)

The first funding from the CSEF payment has now been received and, where successful, it has been allocated to your student’s school account.

For parents who applied before the end of term 2 and were successful, the credit is available for your student. You have received an amount of $125 per eligible child. This amount can be used for each individual student and is for Camps, Sports and Excursion/Incursions only. This amount will be carried forward into the new school year if it has not been allocated to Sports/Camps/Excursions this year.

The CSEF payment will sit against each individual student as a credit. It cannot be shared between other family members. You may only use this credit as a form of payment towards Camps, Sports and Excursion/Incursions.

Ferntree Gully North PS is still open for 2015 CSEF applications. An extension date has been applied and we will be accepting CSEF applications until September 18th 2015.

If you think you may be eligible for this funding and have not lodged your application, please come to the office or simply complete the CSEF form in this edition of the Newsletter.

If you have any questions regarding the above, please come and see me in the office.

Thank you,

Lee-Ann O’Brien
Business Manager
CSEF eligibility

Below is the criteria used to determine a student's eligibility for the Camps, Sports and Excursions Fund (CSEF).

Criteria 1 - Eligibility

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

• on the first day of Term two, or;
• on the first day of Term three;

1. Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be a holder of Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
2. Be a temporary foster parent, and;
3. Submit an application to the school by the due date.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Criteria 2 - Be of school age and attend school in Victoria

School is compulsory for all Victorian children aged between six and 17 years of age inclusive.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. Typically, these students are aged between five and 18 years inclusive.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

Eligibility Date

CSEF eligibility will be subject to the parent/legal guardian's concession card being successfully validated with Centrelink on the first day of either term two (13 April 2015) or term three (13 July 2015).

Payment amounts

CSEF payment amount

The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the benefit of the eligible student.

• Primary school student rate: $125 per year.
• Secondary school student rate: $225 per year.

For ungraded students, the rate payable is determined by the student's date of birth. For more information, see: www.education.vic.gov.au/csef

   If you are claiming as a Foster Parent or a Veteran Affairs Pensioner, tick the appropriate box. In this case, you will need to provide a copy of documentation confirming your status as a temporary Foster Parent or provide your Veterans Affairs Pensioner Gold card to the school.
   The CSEF payment is paid directly to your child’s school and will be allocated by the school towards camps, sports and/or excursion costs for your child.

   3. Sign and date the form and return it to the school office.

CSEF payments cannot be claimed retrospectively for prior years.

Queries relating to CSEF eligibility and payments should be directed to the school.

Now with the introduction of 4G technology and mobile broadband access, more mobile phones and tablets are expected to be sold. The Australian bureau of statistics figures show in the year 2009, 78% of Australian households had mobile phones and this number has steadily risen to 26 million mobile phone connections at the end of 2011. The average Australian typically upgrades their phones every 18-24 months. Landfill is not sustainable. We want to encourage everyone to take the social responsibility in making recycling a benefit for everyone by protecting the environment which we live and work.

Do you have an old mobile faulty or working in a drawer or shelf, it is estimated that Australians are hoarding 18 million phones.
