Production Reflection

Congratulations to all our students for their outstanding efforts in preparing for and performing in the Cindy Goes Solo production last week. Students, with the support of Sue Ellen, Courtney, Julianne, Louise and all of the rest of our fabulous staff, have been rehearsing for months in order to prepare a challenging and entertaining show. Thank you to all our staff who helped get it all together.

Can I make special mention of our wonderful and dedicated Year 5/6 teachers (Bianca, Steph and Jacqui) who have worked with our older students, week in and week out, to deal with all of the issues associated with a show that involved ALL students. Working with eleven and twelve year olds, things are already complicated enough (😉) on a day to day basis, so asking and preparing children to put their self-conscious self on the line, by dancing and performing in front of over a thousand people, takes considerable relationship skills and the development of trust between our staff and students. Thankyou to Bianca, Steph and Jacqui for guiding our students through this challenge and for setting them up with the confidence to ‘take a risk’ the next time they come across something that they think will be too difficult or confronting.

Thank you to the community for attending the performances and supporting our students by providing them with the positive feedback that their efforts and hard work were greatly appreciated. Those parents who had attended a Production before knew what to expect and the quality outcome of all the hard work. For those new families for whom this was their first experience, I hope that you were duly impressed by what our young students were able to accomplish and that some of the inconveniences along the way were worth the end result. I received a lot of feedback from families of young students who were amazed with what their five, six and seven year olds were able to do!

To add another level to how impressed I hope you were by the show and the work of our students, I would like to point out that our show, as an all-inclusive school performance, involved every student in our school with 100% participation expected. You were not just watching the best of the best in terms of the Performing Arts– every student in our school learnt something about performing, achieved something and received the exhilarating rush of audience feedback in recognition for their efforts.

Thank you again to all our wonderful staff who have worked many extra hours to get your children ready for the performance and to prepare all the other little bits and pieces that go in to a Production.

We’ll take a breather from Production next year but will be back with one in 2017!

Congratulations!
Fathers’ Day Stall
Thank you to GNPA who maintained the long held tradition of a Fathers’ Day Stall last week and gave our students the chance to purchase a small gift. I got my dad the dancing solar powered monkey to go on his dashboard. Hours of entertainment!

Footy Day Next Wednesday
Next Wednesday September 16th, we will hold our annual footy day where students are encouraged to wear their team colours to support their team. We will hold a footy team parade from 3pm in the Ellim Atta Centre complete with the theme songs of all the teams.
Tina, with the help of some Year 5/6 boys, will also be offering a special Footy day Lunch package for $5 to anyone who would like to place an order. Keep your eyes out for the order form which is due back by next Monday.

District Athletics
On Monday I headed down to the Knox Athletics Track where some of our Year 3-6 students competed in the District Athletics competition with neighbourhood primary schools. Our students competed enthusiastically with many of them placing or winning events in the few hours that I spent down there. Overall results had our school place 3rd out of 10 schools. Congratulations and well done to all, including all the parents and staff who stood out in the cold to support.
A special thank you to Lara who coordinated our team for the day.
Students who have qualified after winning events yesterday will compete in the next round of athletics competition on Tuesday 6th October at Knox Athletics Track.

Autobahn CanStruction
This term our Autobahn students have been preparing for the Canstruction competition where they build sculptures using cans of food that are then donated to the Foodbank. This challenge has involved studies in engineering and design and will culminate in a showcase at school by our junior students in Year 1 and 2 at the end of this week and our Year 3 and 4 students next week.
Year 5/6 Autobahn students will then compete in the ‘build day’ at Food Works on October 14th.

Autobahn Term 1 Outdoor Space Designs
Many designs for outdoor spaces were submitted by our Autobahn students earlier this year to complement our fantastic new buildings and after consideration by School Council I am happy to say that we have been able to include the vast majority of the designs in our outdoor landscape. You should see things starting to pop up shortly in the grounds or you can view the full layout in the foyer of the Blue Building.
Thanks to all the kids for their inspired and creative ideas.

Curriculum Day September 18th
A reminder that school will conclude for Term 3 with an Assembly at 3pm and dismissal at 3.30pm on Thursday September 17th. On the Friday staff will be participating in a Curriculum Day to look at our whole school spelling program and making refinements to improve our practice.

2016 Planning
This week we are beginning the planning stages for 2016. It has come around very quickly indeed. If you are planning on moving house or have other plans that may mean you are not returning to Ferntree Gully North next year, we would appreciate knowing so that we can consider it in the planning stage.

Have a nice week.

CSEF FUND (Camps, Sport, Excursion fund)

The first funding from the CSEF payment has now been received and, where successful, it has been allocated to your student’s school account.

For parents who applied before the end of term 2 and were successful, the credit is available for your student. You have received an amount of $125 per eligible child. This amount can be used for each individual student and is for Camps, Sports and Excursion/Incursions only. This amount will be carried forward into the new school year if it has not been allocated to Sports/Camps/Excursions this year.

The CSEF payment will sit against each individual student as a credit. It cannot be shared between other family members. You may only use this credit as a form of payment towards Camps, Sports and Excursion/Incursions.

Ferntree Gully North PS is still open for 2015 CSEF applications. An extension date has been applied and we will be accepting CSEF applications until September 18th 2015.

If you think you may be eligible for this funding and have not lodged your application, please come to the office or simply complete the CSEF form in this edition of the Newsletter.

If you have any questions regarding the above, please come and see me in the office.

Thank you,

Lee-Ann O’Brien
