YEAR 3/4 EXPO:
Monday 14 November, 2.45pm-3.30pm

YEAR 3 CAMP TO LOG CABIN RANCH
Thursday 17 - Friday 18 November

READING CHALLENGE BBQ LUNCH:
Tuesday 29 November, 11.00am-12.00pm

PRINCIPAL’S CORNER

Wow! Another amazing week at Ferntree Gully North Primary School. Last week at assembly we congratulated a number of students who have made great achievements in both academic and sporting arenas.

Regional Athletics

I was so proud to hear about the performance of our students at the Regional Athletics Carnival. To get to this level of competition is a great achievement for all who participated. I received positive feedback from those who attended, with competitors showing excellent sportmanship and being fantastic representatives for Ferntree Gully North Primary School. Even more impressive was the way in which our students reflected on their achievements and set goals for next year - to challenge themselves to do even better! This kind of growth mindset is certainly a great skill to take into adulthood!

ICAS Certificates

Students who participated in the ICAS Reading and Mathematics Assessments received their certificates on Friday at assembly. These are optional assessments for students to complete, and have an associated entry cost per assessment. Over 1 million students participate in these assessments each year. We had a number of students who achieved outstanding results. Well done to all who participated!

Working Bee

Thanks to all the parents and students who gave their time so generously last Friday afternoon at the working bee. A great number of jobs were completed, which improve the look of the school and ensure that we are providing a safe environment for our students.

Some of the many jobs included:

- Raking the softfall (woodchip/mulch) in the playground areas
- Clearing branches from the yard
- Picking up rubbish
- Sweeping the outdoor assembly area

A special thank you to Fiona (parent) for coordinating the afternoon.

Storm damage update

As you may be aware, we suffered damage to the school in the extreme weather conditions last weekend. As a result, I have been working closely with the Department of Education to address the damage. The large tree in the Enviro Centre was removed safely over the weekend. It is so sad to lose a tree, however, a lovely seat has been created from the fallen trunk. We are continuing to work on reinstating the guinea pig hutch, roof cover and adjacent fencing.

...cont/2.
PRINCIPAL’S CORNER (continued from page 1)

Planning for 2017 (a reminder from last week’s newsletter)
A reminder that we as we move into term 4 we are starting to work on class composition for 2017. This can cause some concern for parents. Please be assured that staff spend considerable time working on class construction to enhance the educational opportunities for all students.

If you feel there is an issue that would affect your child’s placement please put this in writing to Sue Dean or myself (Megan Ganter) by Friday October 21 to enable us to take this into consideration. Parents are not able to request particular teachers, however we recognise that there may be circumstances we are not aware of that we may need to know about. We will of course make classes that provide the best educational opportunities for all students.

If you are not planning to return to Ferntree Gully North next year for whatever reason, please let the office know as soon as possible. It is imperative that we have the most accurate information about student numbers so that we can plan our classes accordingly.

Yours in education
Megan Ganter
Acting Principal

“THANK YOU HELPERS!”

A huge thank you to the Working Bee Team who stayed after School Assembly last Friday to help out in our school grounds in preparation for an exciting Term 4. The sun was shining so it was a perfect afternoon for the kids to keep out of mischief while a good amount of work was done by all.

After recent storm damage, a large amount of fallen branches were collected, along with many, many pieces of litter before they fill up our drains. Softfall mulch in the playgrounds was also raked out to make impact zones much safer for our kids when at play.

The following people achieved an incredible amount of important work: Mark and Kathryn Loader, Michelle and Anna Harper, Mandy Mercuri, Katherine Crennan, Kellie Hruzecky, Susie Costello, Justine Jansz, Judith Heywood, Van Heeswyk family, and Megan Ganter our Acting Principal!

Well Done Team!

Regards, Fiona – Buildings & Grounds Committee
YEAR 6 GRADUATION: ITEMS OR HELPERS NEEDED:

Dear Gully North families,

We are asking for anyone who has connections with any companies or shops who could help us source or borrow the following items to please let us know:

- A red carpet a few metres long
- Ropes on stands used to section off areas
- Party food eg. pies, sausage rolls, mini pizzas, mini hot dogs
- Party equipment e.g. serviettes, plastics plates etc
- Light boxes with letters to borrow
- Large black cardboard
- A3 photo printing
- Photo booth props
- Cupcake boxes
- Fabric markers for Graduation bears
- Small photo frames
- A4 brown paper bags
- Blank DVDs and covers

Thank you, Year 6 teachers

WALK TO SCHOOL MONTH (OCTOBER):

Beginning this term is Vic Health’s walk to school month. We participated in this event last year which encourages students to make healthy travel habits by walking, riding or scooting to school for the month of October. We had fantastic participation from our students last year and are looking forward to strong participation again this year. Further details can be found at [http://www.walktoschool.vic.gov.au/](http://www.walktoschool.vic.gov.au/) and information sheets have been sent home. If your child is usually driven to school, we encourage you to cut your drive short and walk some of the way. Alternatively, if students are unable to walk to school, we encourage them to do some laps around the oval before school or at lunchtime or recess.

CHOCOLATE AND SOAP MONIES:

Dear families, we are finalising the Chocolate and Soap fundraising drive from June/July. If you have any monies or unsold items at home please return them to the school as soon as possible. Thank you to all those families who participated and have returned their monies.
New strain of norovirus and hand hygiene policy

The Department of Health and Human Services has identified a new strain of norovirus that may lead to gastrointestinal outbreaks. Norovirus is characterised by acute onset of nausea, vomiting and diarrhoea. Other symptoms may include fever, headaches and muscle aches. Symptoms usually resolve after 48 hours, but if a parent is concerned about their child’s symptoms they should seek medical attention.

Throughout the year it is important to remind staff and students of the importance of good hygiene at school and at home.

To help prevent the spread of norovirus, everyone, including all staff and students, should:

• avoid attending work or school when experiencing gastrointestinal symptoms and advise the school of their illness
• stay away from school until they have been free of symptoms for 48 hours
• maintain strict hand hygiene procedures at all times. Hands must be washed with soap and water, especially after going to the toilet and before eating or preparing food
• if staff are required to help attend to students with gastrointestinal symptoms, use of personal protective equipment such as aprons or gloves is recommended.

Schools have a responsibility to provide soap and running water. If running water is temporarily not available, alcohol-based hand sanitiser should be provided until running water can be supplied.

Schools must provide soap, as soap and running water have been clinically shown to be more effective for preventing norovirus transmission than alcohol-based hand sanitisers.

Alcohol-based hand sanitisers are also not as effective in cleaning hands when hands are visibly dirty or soiled.

Dr Jenny Pinnios
Principal Medical Advisor
Early Childhood and School Education Group

BORONIA CRICKET CLUB

Come and learn the basic skills of cricket and have fun at the same time.

Start date - Friday 28th October
Time - 6.00pm - 7.30pm
Tormore Reserve, Tormore Rd, Boronia
Chris Phillips - 0430 622 786
# STUDENTS OF THE WEEK

Congratulations to the following students who received Student of the Week: *(Ending Friday 07th October 2016)*

Halloween Disco

This Friday
21st October

Entry Via music room doors, Exit Via foyer doors out to Forest Rd.
Parents are able to say good bye to the children at the entry point.
There will be windows to be able to see the kids through from the
outside, but only parents volunteers with the approved Helper lanyards
are able to enter the room due to Working with children regulations set
out by the government. We thank you for co-operation.

If you would like to assist in the running of this event please leave your
name at the office and a GNPA representative will contact you with
more information.

Please return pre order forms by TODAY Tuesday 18th
Oct, Wristbands will be sent home to eldest child class
Tickets are available on the night but you will
need to line up for them
Don’t forget to get your mango orders in ASAP

(People love this fundraiser so, we're doing it again - don't miss out)

This Mango Fundraiser specialises in "Kensington Pride" mangoes. The Kensington Pride mango is renowned as the best in the world with the most pleasant flavor and smoothest flesh.

Each tray of mangoes weighs approx. 7kg and is packaged in a colorful tray. The number of mangoes in a tray depends on the size of the mango. Tray sizes are from 12 large to 23 small mangoes in each tray.

Each tray of fresh mangoes are $25.00.

Orders are due by 31st October

Payment to be made with the order and delivery to be expected in November. Buying directly from the farmer means less impact on our environment and the fruit is fresher! The mangoes are usually ready to begin harvesting by mid-November.

KUMON

Achievers of today, ready for the future.

At Kumon, students begin study at a level that allows them to build confidence from day one. Students progress through the programmes based on their ability rather than their age. Over time, students can study advanced material confidently and independently for success in school and everyday life.

Kumon Math and Kumon English develop:
• calculation ability and reading ability
• concentration
• a daily study and reading habit
• the confidence to learn independently.

To learn more about how Kumon sets children on a path towards success please see contact details below.
