PRINCIPAL’S CORNER

Year 3 Camp this Thursday and Friday
This week our Year 3 students head off for a two day camp as a celebration of their growing independence and as preparation for further camping programs in the future.

Thank you to the teachers who are giving up time with their families to enable this opportunity.

Jo will be visiting the campers on Thursday afternoon; I’m sure they’ll be having a great time.

Thank you for Input over Last Few Weeks
Thank you to all the parents who have provided input for consideration during our class placement process that I’m sure you can imagine is detailed and complex. Staff are collecting input from students and beginning the process of placing students in the best possible class groupings for next year so that learning is maximised, both academic and social.

Year 3/4 Expo
Last Wednesday the Year 3/4s hosted an outstanding Expo to share their work with family, friends and other students. The quality of the presentations and the articulate manner students were able to speak about their chosen topics was impressive and valued by the visitors.

Throughout 2015 our Year 3-6 teachers have been working on improving the quality of our student work completed during Education Research Projects and Wednesday was a fitting celebration of the successes of our staff and students. Congratulations.

Excellence:
High expectations of the whole school community

Respect:

Resilience:

2016 Year 6 Leadership Presentations
Visiting the 3/4 Learning Expo was impressive but the current Year 5s were not to be overshadowed, as they presented their 2016 leadership speeches on Friday to fellow Year 3-6 students and staff. The quality of the presentations and the preparations that had gone in to preparing their short pieces was an advertisement for our school and the ways in which we work with students to create people who are confident, considerate of others and prepared to take a risk. Well done to all the Year 5/6 staff who work with these students day in and day out for getting them to understand the complexities of the roles and how they can demonstrate they are a suitable candidate.

There are some very difficult decisions to make once the student voting has been tallied and all staff have had an opportunity to offer their insights in to who will make an admirable representative of our school and students.
Well done to everyone who was brave enough to put their hand up and consider taking on these important roles.

Air-conditioning Finished in time for the Heat Wave
Yesterday the installation of air conditioning was completed in the Art Room, 3/4K Classroom, 3/4A Classroom and 5/6F Classroom after the tireless fundraising work of GNPA and the community. Thank you to everyone who contributed and we should be able to benefit from it in the next few days as the weather warms up.

Remembrance Day Thanks and Poppy Sale
Thank you to all the staff and students who marked Remembrance Day with the appropriate level of respect last week and for the many people who wore and purchased poppies to support our fallen soldiers and their families.

2016 Budgets to School Council and Major Plans for 2016
Tomorrow night the Finance Sub Committee of School Council will present the budget preparations that have taken place for the 2016 school year. This budget takes considerable preparation to ensure we are achieving the best chance of student learning by balancing the needs for student welfare, the upkeep of school facilities and the continued development of the people who work within our school. Major projects to be flagged for next year include the setup of a mini-lab allowing even more student access to ICT, the relocation of the Bike Shed and the installation of outdoor learning spaces in the form of decking to link the portables with disabled access and communal gathering spaces.

Thank you to Lee-Ann in the Office for her many hours of work finalising the documentation.

The staffing side of the budget which is still to be finalised and is not a matter for School Council is nearing completion and I look forward to sharing with you some of the appointments shortly.

World Issue (An article from a nearby school)

Unfortunately there will be some students who would have been exposed to the events which took place in Paris last weekend. Whilst general advice when an event like this takes place suggests to emphasize how far away the events were and that we are very safe, the Department provides the additional advice:

- It is wise for you to monitor your child’s exposure to television coverage, print media and social media.
- Some children will want to talk about the tragic events and try to make sense of what they have seen and heard; other children will avoid any discussion around the events and will be reassured by routine and normality.
- Remember the importance of routine, sleep, exercise and healthy eating.

In difficult times, it is worth remembering what adults and children need most are each other. To further assist you at home you may find the advice of parenting educator Michael Grose @ https://goo.gl/EMAiuC helpful.

Wishing everyone an enjoyable and peaceful week.

EGG CARTONS AND NEWSPAPER NEEDED FOR THE ART ROOM!

Hello Everyone,

If you could spare any empty egg cartons we would really appreciate them in the Art Room. We have been doing lots of construction and painting and our supplies are running very low. Also if you could collect your old newspapers and bring them to the Art Room it would be greatly appreciated.

Many thanks,
Kimberly Campbell and Prue Cunningham
