PRINCIPAL’S CORNER

Virtue Focus for this week – Tolerance
This week we focus on the virtue of Tolerance, with classrooms and teachers discussing Tolerance in terms of ‘the habit of accepting and respecting difference, the habit of accepting things you cannot change, the habit of avoiding judgement and the habit of forgiving faults and the patience to work with them’.

In reflecting on the breadth of this definition of Tolerance there certainly is a lot in there to try and be conscious of and put into action as we try to become better people.

I look forward to Friday and sharing the celebration of those students who have been able to display it this week.

Review Day
Last Tuesday we completed the next stage of our School Review with the Panel Day facilitated by Emma from Valad Solutions. The day was a robust discussion and analysis of our school’s performance over the last four years in anticipation and preparation for the setting of our next Strategic plan that will be dated 2016 – 2019. The Executive Summary completed by Emma as an independent, external reviewer will be posted on our school website shortly and a hard copy will be available to view at the Office.

Thankyou to Debbie Locco (our Senior Adviser from DECCD), Scott Tully (from Mt Evelyn Primary School) and Karen Wade (from Mt Waverly Secondary College) who added their expertise to the day in terms of looking back and also looking forward.
The school community and School Council were represented on the day by Meagan Baker our School Council President, and you will find her reflection on the day in this edition of the Newsletter.

Reminder of End of Term

National Education Support Staff Week
This week is National Education Support Staff Week and it is an opportunity for our school community to recognise and celebrate the marvellous work the education support staff do in our school. We have many support staff working way each day at Ferntree Gully North:
Lee-ann O’Brien, Julia Smith keeping the Office running super smoothly.
Jo Doherty, Jill Wilson, Leonie Chuter, Lynne D’Eramo, Pip Allen, Chris Seymour, Jenni Kahnsitz, Sharon Connolly and Stephanie Rodgers providing additional support in the classrooms and invaluable assistance to the teachers. Nurse Faith Snowsill in First Aid. Viv Steenhuis working in the Library and our two newest recruits Lynda Ross and Julie Thompson who help out in the office when required.
So to all of our wonderful support staff we say a big
Dear families,

Last Tuesday, I had the opportunity of representing the school community at the school review for the day. Needless to say it was a rather intense day with a lot to cover involving presentation of school data such as numeracy, literacy, school productively, wellbeing and programs such as The Autobahn, Wilson McCaskill’s Play is The Way model and Kathy Walker program. We spent the day analyzing the data and evaluating the school as a whole and the programs as mentioned above and gained feedback from other panel members.

The panel consisted of an external reviewer, Emma, who has had plenty of experience in conducting school reviews and was quite thorough in gaining information from school staff, students and data. Other panel members consisted of a senior advisor from DEECD that oversees how our school is managed, two other school principals- one from a primary school and one from a secondary school who provided valuable feedback about our school. Several of our own school staff, who had clearly spent much of their own time in preparing information for the panel, were able to describe and provide in depth information to the reviewer about our school.

I walked away from the meeting with a more in-depth understanding as to the workload our school staff go through in order to provide an opportunity for our children’s learning environment.

All in all it was an interesting day to be part of and I look forward to being able to read the report that Emma will be providing and seeing the implementation of any improvement opportunities identified.

This amount will be carried forward into the new school year if it has not been allocated to Sports/Camps/Excursions this year.

Week 4: Principal’s Attendance Awards

Over the last 3 weeks we have been highlighting the reasons why “It’s not OK to be away or late”. It is crucial that children and students develop habits of regular attendance at an early age.

Poor patterns of attendance place students at risk of not achieving their educational, social and psychological potential and are disadvantaged in the quality of choices they are able to make in later life situations.

It is for these reasons that our school has the:

Principal’s Attendance Awards

These awards were introduced in 2009 to focus on improving attendance rates at Ferntree Gully North.

At the end of each term we present a Principal’s Attendance Award to students achieving 100% attendance and no late days for that entire term. These are generally presented or announced at the final assembly for the term.

Regular attendance is further celebrated at the end of the year with a special celebration party of a BBQ breakfast for those children who have achieved 98% attendance for the whole year and 98% being on time (ie not late).

I hope this recent series of articles focusing on the importance of regular and punctual attendance at school, will encourage our school community to support students to understand that:

“It’s not OK to be away” (or late)

and we will see many happy faces at our end of year BBQ.

**LAST WEEKS GNPA MEETING**

At our meeting last week we discussed some fun new ideas for the whole school to be involved in, (Bingo night, Family discos etc.) So we can all come together more often and help everyone feel a part of the school community. If you couldn’t make it to the meeting, please come along next time and tell us your ideas, we love them and always try to implement as many as possible.

**We hope to see you there next time**

**Spice Up Your Life Fundraiser**

We hope everyone had a chance to taste the YUM items outside the office on Friday; they were just a sample of what you can do with the spices from your inspiration at home. The order form will be going home later in the week and we would like everyone to know how wonderful these items are and taste. On Friday it was just some whipped cream and the delectable chocolate powders that made those tasty moose’s, and some sour cream mixed with beetroot spices for one, to make an easy dip to serve to a last minute drop in or take to a party; all so easy and taste amazing! Each tub can make so many things at a fraction of the price of a store bought item. Have a look when you receive your order form and get a few to try - we know you will love them.

GNPA will be holding our annual father’s day stalls
